## TOWN WARRANT

### The State of New Hampshire

*To the Inhabitants of the Town of Hollis in the County of Hillsborough in said State, qualified to vote in Town Affairs:*

You are hereby notified to meet at Lower Town Hall in said Hollis on Tuesday, the Ninth day of March, next, at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear the reports of the Selectmen and other Town Officers and Committees.
4. To see if the Town will vote to authorize the Treasurer under order of the Selectmen to borrow money in anticipation of taxes.
5. To see if the Town will vote to accept State Aid for the construction of Class V roads and appropriate the sum of \$862.14.
6. To see if the Town will vote to authorize the Selectmen to distribute blank inventories at the time of appraisal.
7. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the collection and disposal of garbage in Town or act anything in relation thereto.
8. To see if the Town will vote to allow 2% discount on taxes paid before August 1st, 1948 and assess fines of twenty cents on all poll taxes not paid by September 1st, 1948.
9. To see if the Town will vote to authorize the Selectmen to lease the land owned by the Town, called Spaulding Park, to the State of New Hampshire for a recreational area.
10. To see if the Town will vote to authorize the Selectmen to sell Town property acquired by tax deed, or mortgage lien, this power to remain until voted otherwise.
11. To see what action the Town will take regarding the Elizabeth Proctor legacy.

12. To see if the Town will vote to raise and appropriate the sum of \$2600.00 for the purpose of housing the Fire Equipment in the basement of the Town Hall.

13. To see if the Town will vote to raise and appropriate the sum of \$7500.00 for the purpose of installing a new Heating System and new Toilet Facilities in the basement of the Town Hall.

14. To see if the Town will vote to withdraw \$6500.00 from the Town Hall Capital Reserve Fund to pay for new heating system and toilet facilities for the Town Hall.

15. To see if the Town will authorize the Selectmen to use \$1000.00 of the Fire Department Capital Reserve Fund towards housing the fire equipment in the basement of the Town Hall.

16. To see if the Town will authorize the Selectmen to remodel the present Fire House and use \$1000.00 of the Fire Department Capital Reserve Fund for this purpose.

17. To see if the Town will authorize the Selectmen to borrow up to \$12,000.00 to cover the balance of the cost of remodeling the Town Hall.

18. To see if the Town will vote to omit the election of the Highway Agent and authorize the Selectmen to appoint such agent or act any way relating thereto.

19. To see if the Town will vote that at subsequent town meetings the election of Officers shall take place on the date legally set for the town meeting but that consideration of articles in the warrant be adjourned until eight P. M. in the evening.

20. To transact any other business that may legally come before this meeting.

Given under our hands and seal, this 16th day of February, in the year of our Lord nineteen hundred and forty eight.

CLARENCE L. HOWE  
CHARLES B. SPAULDING  
ROSCOE L. BROWN

Selectmen of Hollis, N. H.

# SCHOOL WARRANT

## THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of Hollis, New Hampshire qualified to vote in district affairs:

You are hereby notified to meet at the Lower Town Hall in said district on the 8th. day of March, 1948, at 8 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.
9. To see how much money the district will raise and appropriate for special repairs, alterations, insurance and new equipment.
10. To see if the district will authorize the school board and two other legal voters of the district, appointed by the moderator, to act as a special committee to consider the feasibility of forming a cooperative secondary school district and to report to the district not later than October 15th, 1948, its findings including building requirements, program of studies, capital investment, operational costs of such a district and such other matters as may be deemed material.

11. If the preceding article is adopted, to see if the district will vote to raise and appropriate the sum of not exceeding \$150.00 to cover the cost of preparation of the report and traveling expenses of the special committee.

12. To transact any other business which may legally come before said meeting.

Given under our hands at said Hollis this 12th day of Feb. 1948.

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Hollis:

I herewith present my ninth annual report, the twenty-ninth in the series.

### TEACHERS

A list of teachers is printed elsewhere in this report. I need comment only upon the changes since the last report. Mr. Albert Mosley left us to assume a Headmastership in another town; Mrs. Barbara DeVittori, who finished the year in the Junior High position, did not choose to continue, (you will recall that Mrs. Marion Olson started the year in this position, and Mrs. Katherine Hills carried along until a successor could be found); Mr. Leroy Guptill, after a two-year term as Headmaster and agriculture teacher, took another position in the State.

Teachers' salaries have not kept pace with the increases in other lines. The average salary in New Hampshire of all school personnel, men and women, is now just under \$2,300; while the national average of industrial wages is about \$2,650. This comparison takes no account of the higher professional requirements for teaching. In one of the most progressive countries of the world, the average teacher receives about twice as much as the industrial worker and the training period is much longer. I quote the N. A. M. Congress of 1947—"We have placed in the hands of our school teachers one of the most important tasks confronting us—the job of making patriotic American citizens of our children. Let us set ever higher standards for our school teachers and pay them proper salaries for the important task we have entrusted to them." The C. I. O. and A. F. of L. have expressed similar views.

As the available supply of teachers is limited, I urge you to make funds available to adequately pay your teaching staff. The New Hampshire P. T. A. President calls attention to the small number of teacher college graduates and urges increased compensation. Retirement, marriage and other reasons may cause a hundred elementary grade openings in this State. Changes may result in a hundred other cases. Finances certainly will not produce teachers if none are to be had, but will help if any desirable candidate is available.

## COSTS

Trends in school costs are upward. I give you the per pupil school costs for this Union, so that you may know the facts. Whether the upward trend is too little or too much, I leave to your judgment as you compare these costs with the costs of every other item in your living.

	1941-1942	1946-1947 Estimate
Elementary Grades 1-8		
Amherst	80.76	103.74
Brookline	55.26	82.43
Hollis	89.70	116.67
Milford	76.95	107.26
Mont Vernon	132.95	154.64
High School Grades 9-12		
Amherst	102.60	245.00
Hollis	124.64	220.00
Milford	77.42	180.00

The Promotion of Pupils is an interesting study. Again listing the towns of this Union by number only, the results are:

Town	Promoted to Next Grade	Trial Promotion	Not Promoted
1	83.3%	5.8%	10.9%
2	90.0	6.25	3.75
3	89.4	5.3	5.3
4	88.5	4.1	7.4
5	86.6	6.7	6.7

The above refers to pupils in the first eight grades only. Your town is number 3 in the above list. Last year comparable figures were 94.2%, 2.5% and 3.3%. Although there is a slight downward trend, it does not seem to me to be material and does represent the best record in this Union.

## NEEDS

You need another room and teacher next year, as the enrollment will be too large for the present staff. As this goes to press, an architect is working on plans for changes in the present building to meet this need. Several plans are under consideration; with the least expensive probably to be favored, due to the long-range plans for an improvement in school facilities. Whatever changes are made, ought not to be money wasted or which would be useless if any expansion of high school facilities should later be made on another site.

The new State-Aid law contains a statement that aid is "for equalizing educational opportunity and improving the public elementary and high schools." It was not intended to reduce the cost to the towns, but to help them meet rising costs and to help them improve their services. In this Union of five towns, there are two school nurses working on a part-time basis. There are three music teachers on full-time or part-time work. There is no art or handwriting supervisor. This Union, through increased State Aid now available, could improve its services by employment of a full-time school nurse, a full-time music teacher or possibly two, an art teacher, and the employment of expert handwriting service on a part-time basis. These items should be union-wide and as a unit. We need integration of efforts without dulling the endeavors of any individual community. There are now too many people concerned with the program to effect too definite a responsibility. As the superintendent has influence in all the Union, so should the field workers who work under his guidance and direction.

#### GRATITUDE

Again I am very grateful to all who have contributed to the success of the school. I pay special tribute to the teachers and to the School Board. An admirable spirit of cooperation has pervaded all our efforts.

Respectfully,

HAROLD C. BOWLEY

Superintendent of Schools

January 30, 1948.

## GENERAL STATISTICS FOR SCHOOL YEAR

1946 - 1947

Number of pupils enrolled	193
Average Elementary membership	132.39
Average High School membership	50.70
Per Cent of attendance for year	96.00
Number of days schools were in session	174
Number of cases of tardiness (last year 296)	111
Number not absent nor tardy	26
Visits by School Board Members	10
Visits by Superintendent	149
Visits by Citizens	154
Number of School Board meetings held	11

## RETURN OF SCHOOL CENSUS

September 1947

Number enumerated 5 to 16 years of age	
Boys—95; Girls—98; Total	193
Number of children 5 to 16 in local schools	176
Number of children 5 to 8 not in school	16
Number of children 8 to 14 not in school	1
Number of children 14 to 16 not in school	0
Number of children 5 to 16 attending school outside	5

Rideout, Pearl	French, Latin			
	English	21	21	2,400.00
Rogers, George	Headmaster;			
	Math., Science	1	5	2,900.00

## REPORT OF THE HEADMASTER

Mr. Harold C. Bowley, Superintendent  
Milford, N. H.

I herewith submit my first report as Headmaster of Hollis High School.

All agree that education is more important for the future of our nation now than ever before. Society becomes more complex with each passing generation and as society becomes more complicated, it becomes increasingly true that without high school education, youth are very likely indeed to be deficient in any true understanding of what we call the American way of life. This does not mean education for education's sake but to educate the youth of our community so that they may take their proper place in our present World.

Hollis High School opened the current school year Wednesday September 3, 1947 with an enrollment of 51 pupils. The 45 minute periods of last year were increased to 50 and 60 minutes thus allowing for more and better supervision of classroom studies.

In view of the above the following subjects are being offered this year with the Junior and Senior subjects being supplemented with correspondence courses:

Advanced Math.	10	French II	7
Physics	9	English 9 & 10	30
Biology	34	English 11 & 12	21
General Math.	30	Science VII & VIII	27
European History	11	Arithmetic VII	14
History of Civ.	28	Arithmetic VIII	13
Economics	12	History VII	14
The Home	5	History VIII	13
Foods	8	English VII	14
Latin	10	English VIII	13
Home Economics VII & VIII		11	

Student activities have been carried on as in previous years with a special period set aside each day of 20 minutes duration. During this period class meetings, club meetings, athletic meetings, dance committee meetings, practice for plays, and singing take place.

Again this year Music is under the capable direction of Miss Ethelyn Edwards who presented the excellent Christmas Pageant, and plans are now under way for participation in the State Music Festival.

Under the direction of Miss Pearl Rideout two plays have been given. The annual Senior play "Growing Pains" was a definite success as evidenced by the very large attendance at the Town Hall. The other play was an original play written by the pupils and directed by Miss Rideout for the D. A. R. At present the Juniors and Seniors are practicing a play to be presented to the Women's Club.

Other social activities were the Hallöween Party and the New Year's Eve Dance.

All schools should have an athletic program for all pupils. In this we are fortunate to have the Town Hall for basketball. Our present program has basketball teams for High School boys and girls, with the fifth, sixth, seventh and eighth grades playing two periods a week under the coaching of Robert Nartoff and Elliott Wilshire. The High School teams have been meeting with success not only in winning games but in winning the approval of the various towns in which they have played by their sportsmanship and good play. The aid of the parents in transporting the teams has been greatly appreciated.

The school lunch program started November 1 and will continue until warm weather arrives. We have at present kept the cost of the lunch at a minimum of 15 cents per meal feeling that the lunch program should be a non-profit undertaking.

The following were neither tardy nor absent for the school year 1946-1947:

High School: Anna Adams, Donald Smith, Carol Cable, Alan Orde, Vera Dudley, Janet Towne.

Junior High: Robert Cave, Janice Marvell, Marion Muzzey, Frances Wright, Betty Cudworth, Margaret Glover, Phyllis Kanterovich, Barbara Lawrence, Bernice Stefanowicz.

Elementary: Marilyn Glover, Arthur Woods, Arthur Durant, Gertrude Gagnon, Peter Roberts, William Newcombe, Naida Glover, Peter Bell, Marcia Boulton, Maurice Glover.

The following have been neither absent nor tardy for the present school year ending with Christmas Vacation:

High School: Donald Brown, Betty Cudworth, Rita Lavoie, Virginia Lund, Constance Smith, Bernice Stefanowicz, Martin Budlong, Vera Dudley, Alan Orde, Juanita Nartoff, Donald Smith, Elsie Lievens, Robert Nartoff.

Junior High: Reid Covey, Marcia Boulton, William Lawrence, Bertram Locke, Dorothy Monroe, Lorraine Jambard, Janice Marvell, Marion Muzzey, Mary Ellen Orde, Francis Wright.

Elementary: Roger Cummings, Ruth Hyde, Linda Marvell, Maryilyn Glover, Arthur Woods, Victor Elderkin, Richard Paradise, Barbara Therrien, Harland Muzzey, Naida Glover, Evelyn Brown, Eleanor Brown, Verner Bancroft, Robert Cudworth.

I am pleased with the record of attendance this year, and know that parents will continue to make every effort to see that their children get to school and arrive on time. Every day lost seriously handicaps the pupils in maintaining their studies at the same level as the others.

The following graduated from Hollis High School last year in June 1947: Eleanor Brocklebank, George Bruce, Valma Carleton, Marjorie Lewis, Anne Schultz, Lillian Small, Betty Simonds, Sumner Spaulding, Kenneth Towne, William Works.

In closing my report I wish to mention the cooperative spirit of the teaching staff both during the school day and in extra-curricular activities. I also wish to express my appreciation and that of the teachers for the fine support given to school functions.

Respectfully submitted,

GEORGE H. ROGERS

# ANNUAL REPORT OF HEALTH SUPERVISION AID MEDICAL INSPECTION OF SCHOOL PUPILS

January 22, 1948.

Superintendent, School Board members and citizens of Hollis:

Findings and corrections during 1947 are as follows:

Number of pupils examined: 202

		Cor- rections
Number of pupils showing dental defects	106	78
Number of pupils showing tonsil defects	15	6
Number of pupils showing visual defects	10	6
		under treatment
Number of pupils showing hearing defects	3	2
Number of pupils showing orthopedic defects	2	2

The Audiometer test was given to all pupils from 2d grade through high school. Two of the pupils having a hearing loss have hearing aids and lip reading.

Other than some colds the health of the pupils has been unusually good.

The cooperation of parents and teachers is most sincerely appreciated.

Respectfully submitted,

CHARLES PORTER, M. D.  
HELEN J. HOUSE, R. N.  
School Nurse

# REPORT OF SPECIAL COMMITTEE

## SCHOOL GROWTH

This past year, the school boards in the towns of Amherst, Hollis, Milford, Wilton, Brookline and Mont Vernon have been startled by the increased enrollments in schools. It has been conclusively proven that each community in the next two to five years will be forced to provide additional space for educational facilities for their children.

The impact of this increased school population is being immediately felt in the elementary schools, thus making the school committees conscious of the necessity for a building program, either of new construction in their respective towns, or additions to their present plants. The other alternative is to combine their efforts on the secondary level of instruction by forming a Cooperative School District; thus relieving their present buildings of high school pupils and making room for this influx of elementary pupils.

This increase in school population is not peculiar to this area alone. It is nationwide. There will be more school children in the United States in the next ten to twelve years than ever before. Consequently, this school problem is not temporary, but can be looked upon as being quite permanent. The over-crowding of our present facilities is nothing compared to what it will be in the near future. It will grow from the grade schools, move into the high schools, and pass on to the colleges. The U. S. birth rate this year is approximately 26 per 1000 of population or nearly a 50% increase over the prewar rate. Thus the year 1947 is the highest birth year in the history of the United States.

The following questions have been posed in the aforementioned communities. What can we do? What planning should take place so that our children can have the very best education possible at a price that is within the means of each and every community concerned? With these questions in mind, representatives from Amherst, Hollis, Milford, Wilton, Brookline and Mont Vernon, both laymen and professionals, met to think together and to formulate a plan of attack on the problem.

In the course of their discussions, it was brought out that many of the high schools in these areas are too small to offer an adequate, well-rounded program of study; thus only skeleton programs are offered. They cost much more per pupil than similar programs in larger schools, but they have too few teachers to make possible a well-balanced program. The boy who wants to farm, the girl headed toward office work, and the boy preparing for medicine all have the same program. There is little or no music or art education, physical education or guidance. Vocational education is either lacking or offered in one or two fields at the most. Where agriculture is offered boys are often forced to take it in order to fill their programs, whether it meets their needs or not. Where commercial courses are given, all may have to take them to get the units of work required for graduation. Often it is necessary to assign teachers to work in which they are not prepared. Rarely are these small schools good in more than one or two aspects of the program. There are no supervisors or guidance workers to whom teachers can refer problem cases. The equipment is meager. Makeshift laboratories and shops offer small stimulation to either gifted or slow pupils. In most cases the program in these small high schools are geared to the 20% who go on to college, and the other 80% are offered a program that rarely fits their needs or desires.

After analyzing each town's program of studies, they found some stronger than others, but in most cases it was felt that they were inadequate to do the job that present day society demands. It was further concluded that in addition to meeting needs common to all, such as emphasizing reading, arithmetic, and other skills needed for learning, a satisfactory school district should provide prevocational and vocational education of varied sorts. It would do this through supervised work experience programs in industry, merchandising, farming, etc. Its program should be broad enough, too, to give ample preparation to those bound for college. It should also provide, in cooperation with other agencies, wherever possible, such services and aids as health clinics, school lunches, libraries, guidance, and audio-visual aids. It should keep in touch with those who leave school, and provide post-high school and adult education. The above could be accomplished only if the school had enough pupils, enough teachers, and enough space so that the services could be rendered at a reasonable cost.

The feasibility of a consolidated school district was brought forth and such problems as size of educational units, transportation, probable building maintenance costs, sites, etc. were discussed, but no conclusions were drawn.

The New Hampshire Legislature in its last session passed an act permitting school districts to combine in a Cooperative School District, thus pointing the way to more effective education. A Cooperative School District may be organized as a cooperative elementary unit; a cooperative secondary unit or both, by majority vote of the qualified voters present and voting at annual or special school meetings in each of the participating school districts. A cooperative board consisting of members from the various school districts shall administer the affairs of the school district. Each school district will bear its proportionate share of capital improvements, such proportion to be determined by the ratio that its equalized valuation bears to the total equalized valuation within the cooperative school district. The costs of operating a cooperative school district shall be pro-rated among the local districts in proportion that the average daily membership of the local district bears to the average daily membership of the cooperative district. New members may be admitted to the Cooperative School District and local school districts may withdraw, if it is deemed advisable, according to the regulations laid down in the law. Each local district has a part in the formulation of policy and procedure through its representative member, consequently the democratic principles under which our local districts operate are not infringed upon.

To obtain authorization for a more comprehensive study of Cooperative School Districts and to bring this problem directly to the townspeople, it was felt that an article in the warrants of the local school districts would be necessary. Consequently, two articles have been entered in the school warrants to see what action the towns wish to take. It is hoped that the towns will adopt these articles to permit careful study of the school needs in the various towns, thus avoiding any delay.

## HEALTH OFFICER'S REPORT FOR TOWN OF HOLLIS — 1947

I wish to compliment the people of Hollis for the splendid report we have from a health standpoint.

Only one case of scarlet fever was reported together with a few cases of chicken pox and a very few cases of measles.

With the School Health Program and the cooperation of the parents, there has not been outbreaks of any contagious disease in our schools.

The garbage collection service has been most successful not only to those who have been able to make use of it but in helping to keep our roadsides clean from refuse. It has also helped keep such refuse from our Town dump. Such a practice however is unlawful.

Let's keep up the good work by making the proper disposal of all refuse and reporting at once any communicable disease or any improper disposal of garbage or any other refuse to your local Health Officer.

Yours for a Healthful Year,  
E. R. SIMONDS

Health Officer

## REPORT OF HOLLIS PLANNING & DEVELOPMENT BOARD

Your new Planning and Development board, which was created at last year's Town meeting, has held regular meetings on the fourth Thursday of each month throughout the year along with numerous special meetings.

Our program being extensive, we have tried to lay out a long range program, which, over a period of years will call for many and varied improvements to our community, although the financial burden will not be too great in any one year.

Our program calls for improvements to our Schools, Fire Department, Town Hall, Highways, Parks, and Community Center as a whole including a Town operated water system at such time as it is practical to consider.

In many lengthy discussions we have unanimously agreed that, first of all our schools should be considered, as the rest of our program seems to depend directly or indirectly on what we do for our schools; for example why spend money in extensive repairs such as shower baths, repairs to the auditorium, etc. to our Town Hall to take care of all the School activities if we enlarge our present School or consider an entirely new school program which would take care of all of our much needed requirements.

We feel however that all possible use should be made of the buildings and rooms we have at present. We have drawn up a plan to submit to you at this present Town Meeting, as you will note by Articles in the warrant, to at least start making a few improvements to our Town Hall and Fire Department. By remodeling the basement of the Town Hall, it would house our fire equipment which is the most urgent need *now*. Combining the Town Hall and Fire Station under one roof seems to us at the present the most logical and economical program we can submit.

Further study of our schools is continually being made and we hope to have something of a definite nature to present in the course of another year. We have however prepared a map of our school district showing present enrollment, also number of pre-school age children and their present location. This map will be on display at your School Meeting.

Some improvements have been made in replacing some of the trees around the center of Town. We hope to continue with this program this year.

We will be glad to help anyone plan or develop any land that might be made use of for building lots that will be an improvement to our community. We will also welcome any suggestions or plans that anyone may have in mind for the future improvement of our community, and we cordially invite anyone to any of our regular meetings. The records of our meetings are available, as any Town records are.

Respectfully submitted,

ERVING R. SIMONDS, Chairman  
BERYL ORDE, Secretary  
WOODBURY BELL  
CHARLES SPAULDING  
HAROLD HARDY

Planning and Development Board, Hollis

## ZONING ORDINANCE

### TOWN OF HOLLIS, NEW HAMPSHIRE

An ordinance to promote the health, safety, morals, convenience and general welfare of the community by regulating and restricting the use and construction of buildings and premises in the Town of Hollis.

Preamble: In pursuance of authority conferred by Chapter 92 of the 1925 Laws of New Hampshire and by Chapter 55 of the 1935 Laws of New Hampshire and for the purpose of promoting the health, safety, morals, prosperity, convenience of general welfare, as well as efficiency and economy in the process of development, of the inhabitants of the incorporated Town of Hollis, New Hampshire, by securing safety from fire, panic and other dangers, providing adequate areas between buildings and various rights of way, by preserving the rural charm now attached to our town, the promotion of good civic design and arrangement, wise and efficient expenditure of public funds, and the adequate provision of public utilities and other public requirements, and by other means in accordance with a comprehensive plan, now therefore the following ordinance is hereby enacted by the voters of the Town of Hollis, New Hampshire in official annual meeting convened.

#### SECTION 1.

For the purpose of this ordinance the Town of Hollis is divided into districts as defined below, and as shown on the Zoning Map filed with the Town Clerk.

##### District 1. Residential

The area enclosed by the following boundaries: Starting at Bartram Place so-called on Silver Lake Road thence in an easterly direction to the north side of the East Cemetery, thence southeasterly to the junction of Pine Hill Road and Broad Street, thence southerly to junction of Van Dyke and Richardson Road, thence southwesterly to the Eastman Place on the Pepperell Road, thence westerly to the junction of Coburn Lane and North Pepperell Road, thence northwesterly to the Bert Brown Place on the Ridge Road, thence to the north of Love Lane, thence northwesterly to Beaver Brook on Proctor Hill Road, thence northeasterly to the junction of Deacon Lane and Rocky Pond Road, thence easterly to the point of beginning on the Silver Lake Road.

##### District 2. Recreational

A quarter of a mile from the shore of Silver Lake, Flint Pond, Pennichuck Pond, Dunklee Pond, Nashua River and Nissitissit River, also all the area bounded by the Brookline-Hollis Town Line, Rocky Pond Road, Hayden Road, Federal Hill Road and Milford Town Line.

### District 3. Agricultural

All of Hollis not included in other districts.

#### SECTION 2.

*Definitions* For the purpose of this ordinance, certain terms are defined as provided in this section.

A. "Home produce and products" means and includes everything of an agricultural nature grown, produced, conditioned or otherwise carried on the property of the resident, also such articles as are manufactured or altered by members of the household of the bona fide resident of any property.

B. "Right of way" means and includes all town, state and federal highways and the land on either side of same as covered by statutes to determine the width of rights of way.

C. "Permanent residents." A family shall be considered permanent residents when they have used any building continuously as a residence for a period of six months or more.

D. "Tourists homes" shall mean and include dwellings where transient accommodations are provided for a price.

E. "Hotels" shall mean and include any building which contains more than twelve rooms and advertises to accommodate people with food and sleeping quarters for a price.

F. "Front yard": A space extending for the full width of a lot between the extreme front line of a building and the nearest side of the right-of-way.

G. "Frontage" shall mean the length of the lot bordering on the public right of way.

H. "Permanent building": Any building resting on a foundation or otherwise legally defined as "real estate".

I. Logging Camps shall be camps built of material and in such a manner that they are only for temporary use during the cutting and handling of logs, cordwood or other such material.

J. "Camps" shall be considered buildings of such a nature that they may be used for recreational purposes during seasonal parts of the year.

#### SECTION 3.

In *District No. 1* the *Residential Area* shall enjoy the following provisions:

1. It shall be a district mainly of farms and residences.

2. No building shall house more than two families as "permanent residents".

3. There shall be between the nearest side of any main highway and the extreme front of any building a yard having a minimum depth of twenty five feet provided that no such front yard

need be deeper than the average of the depths of such yards on the lots next thereto on either side. A vacant lot or a lot occupied by a building with a yard more than twenty-five feet deep being considered as having a front yard twenty-five feet deep.

4. Home produce and products may be bought and sold and exposed for sale in this district.

5. Hotels and tourist homes may be maintained and operated in this district.

6. Private schools and sanitariums are permitted in this district.

7. Property owners of enterprises shall be allowed two advertising signs for products sold on the premises, such signs not to total over fifteen square feet in area. Also a sign reasonable in size giving the name of the property. Also one or more signs pertaining to the lease, sale or use of a lot or building on which placed, which shall not exceed a total area of five square feet.

8. Building Area. No building or set of buildings shall occupy more than thirty percent of its lot and each lot shall have a frontage of at least seventy-five feet. Each family unit must contain 400 square feet of ground area.

9. If reasonable complaint is made no owner or occupant of any land in said District shall permit any building or other structure or fire ruins to be left unfinished or incompleated thereon but shall finish or complete or remove the same.

10. New business may be allowed by the Board of Adjustment upon petition and after a hearing indicates that it is desirable for the public.

#### SECTION 4.

In *District No. 2*, the *Recreational District* shall enjoy the following provisions:

1. This area shall enjoy all the privileges of District 1 and in addition camps and logging camps will be permitted.

2. Logging camps may be of a temporary nature for use only during the active working of a lot and shall be removed when such work is finished.

3. Recreational camps shall be finished in permanent manner conforming to Section 8 Paragraph 5 of this Ordinance.

4. Property owners of enterprises shall be allowed two advertising signs for produce sold on the premises; such signs shall not total over fifteen square feet in area.

#### SECTION 5.

In *District Number 3*, the *Agricultural District* shall enjoy the following provisions:

1. This area shall enjoy all the privileges of Districts 1 and 2.
2. Permanent residences must conform with Section 8, Paragraph 5 of this Ordinance.

#### SECTION 6.

##### *Non-conforming buildings, use of buildings and use of land.*

1. All non-conforming properties in active use when this Ordinance is passed and adopted may continue indefinitely in their present use.

2. Any and all non-conforming property which is partially or wholly destroyed by reason of obsolescence, fire, explosion or other act of God, may be restored and operated if same is done within two years.

3. Any and all non-conforming property may be altered and expanded as the business conditions warrant providing such alterations and expansions do not change the nature of the non-conforming business and do not prove offensive to the public because of noise, noxious odor or any other similar reason.

#### SECTION 7.

##### *New Development.*

1. The owner of any plot of ground intended for development or subdivision into building lots not fronting upon a public highway shall file with the Board of Selectmen a plan or map of the proposed subdivision and shall obtain the approval of the Board of Selectmen thereon before proceeding with the development or sale of lots in the said subdivision.

2. It shall be the duty of the Board of Selectmen to inspect the site of such proposed subdivision and to require such roadway and other areas for common use as will eventually be acceptable to the town for maintenance by the town and to approve the same when satisfied that such proposed plans are in harmony with and conducive to the general welfare of the Town and the neighborhood and not detrimental to existing property values, but in no sense shall this be deemed an acceptance by the Town of the street or streets.

#### SECTION 8.

##### *Enforcement.*

1. It shall be the duty of the Board of Selectmen, and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

2. There shall be an Inspector of Buildings, such office to be held by the 2nd Selectman, ex officio. Such Inspector of Buildings shall serve as such without compensation, and no fees of any kind shall be imposed in connection with any permits or certificates required under the terms of this ordinance.

3. The Building Inspector shall issue any and all building permits requested when such permit is in accordance with the provisions of this ordinance or legally authorized by the Board of Adjustment and then only.

4. Permits. After passage of this Ordinance it shall be unlawful to erect any permanent building or alter the bulk of any building or permanently relocate any building in any district, without first obtaining a building permit from the Building Inspector.

5. NO PERMIT, HOWEVER, SHALL BE ISSUED UNLESS THE PROPOSED STRUCTURE WILL PRESENT A REASONABLE APPEARANCE AND WILL BE IN KEEPING WITH THE NEIGHBORHOOD AND UNLESS THE BUILDING IS TO BE FINISHED ON THE EXTERIOR IN A PERMANENT MANNER AND IS TO BE SUITABLY PAINTED ON THE OUTSIDE WHENEVER THE SAME IS OF WOOD OR A MATERIAL CUSTOMARILY PAINTED, EXCEPT THAT IN DISTRICTS 2 AND 3 THIS SHALL APPLY ONLY TO PERMANENT RESIDENCES. THIS IS INTENDED TO ELIMINATE THE ERECTION OF STRUCTURES OBVIOUSLY OUT OF PLACE FOR THE NEIGHBORHOOD WHERE THEY ARE TO BE LOCATED AND WHICH MAY HAVE A DETRIMENTAL EFFECT ON THE PROPERTY VALUES AND NEIGHBORHOOD CHARACTER. WHEN AN OBJECTION ON ACCOUNT OF THE APPEARANCE OF A PROPOSED STRUCTURE, AS ABOVE DICTATED, IS RAISED BY A MAJORITY OF THE FAMILIES RESIDING OR OWNING PROPERTY WITHIN A RADIUS OF 500 FEET OF THE PROPERTY IN QUESTION, THE BOARD OF ADJUSTMENT SHALL HOLD A PUBLIC HEARING TO RECEIVE THE EVIDENCE ON BOTH SIDES AND SHALL HAVE THE AUTHORITY TO DECIDE WHETHER THE PERMIT SHALL BE ISSUED OR NOT.

6. No land in any district shall be used for a dump, or a place for refuse, waste or junk of any kind, nor for abandoned automobiles, carriages or other vehicles, machinery or other tools or appliances, or for any mill, shop, factory or other manufacturing industry, nor used in a manner that is disorderly, unsightly, noxious, offensive or detrimental to the public, or to the owners or occupants of adjacent property, or prejudicial to the general welfare of the community, without the approval, in writing, of the Board of Adjustment upon such conditions as they may determine.

7. Upon any well founded information that this Ordinance is being violated, the Selectmen shall, on their own initiative, take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other legal action.

## SECTION 9.

### *Board of Adjustment.*

1. Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Moderator with the advice and consent of the Board of Selectmen, shall make appointments to a Board of Adjustment of five members conforming in duties to the provisions of Chapter 42 of the Public Laws. In addition to the general powers granted said Board by said Chapter 42 it may, in harmony with and subject to its provisions:

a. Permit the erection of additional buildings or the enlargement or alterations of existing buildings on the same or an adjacent parcel of land, each in the same single or joint ownership or record at the time it is placed in a district for an existing trade, business, industry or any other use prohibited in such district.

b. Permit a non-conforming temporary building for use incidental to the development of a neighborhood for an initial period of not more than two years and in the case of a building only upon application accompanied by a bond and bill of sale to the town, effective in case the building is not removed prior to the expiration of the permit. Permits may be renewed by the Board of Adjustment for successive periods of not more than one year each.

## SECTION 10.

### *Amendments.*

1. This Ordinance may be amended by a majority vote of any legal town meeting when such amendment is published in the warrant calling for the meeting and when such amendment has received a public hearing which hearing has been advertised and given a legal fifteen day notice.

## SECTION 11.

### *Penalty.*

1. Every person, persons, firm or corporation violating any of the provisions of this Ordinance shall be fined not more than ten dollars upon conviction for each day such violation may exist.

## SECTION 12.

### *Saving Clause.*

1. The invalidity of any provision of this Ordinance shall not affect the validity of any other provision.

## SECTION 13.

### *When Effective.*

1. This Ordinance shall take effect upon its passage.

Adopted at Adjourned Town Meeting, May 13th, 1941.
